

Specifications: **DGPBH120V8**

8A 250V

3.5mm

*Features:*

- Economical design
- Header supplied in 24 positions allowing for disassembly into any number of positions
- Header supplied in black only

*Electrical:*

Current: 8A @ 250V  
 Pin Diameter:  $\phi 1.0\text{mm}$   
 CR: 20m $\Omega$   
 Operating temp: -40°C - +105°C  
 Max Soldering: +250°C for 5 Seconds

*Materials:*

Housing: Polyamide 66 UL94V-0  
 Terminal: Brass, Tin plating  
 Color: Black
